

The Automobile Club of Southern California points out that we don't have to be traffic officers, or even members of a special safety organization, to do our part in preventing traffic accidents. One thing everyone can do is to set a good example of careful obedience to traffic laws whenever and wherever he drives.

The saddest, maddest people are the ones that could have saved more on car insurance with State Farm... but DIDN'T!
Don't you miss out—ask me about it!

Food Giant to Open Two New Stores with Sale

All Food Giant Markets will feature Grand Opening sale items this weekend in celebration of the opening of two new giant supermarkets in Orange County. Knowledgeable sources claim this is the first time in the history of the Southland that a supermarket chain has opened two major units at one time. The spectacular sale will herald the addition of the 17th and 18th markets to the burgeoning supermarket chain.

Ribbon cutting ceremonies at the two new markets, in Santa Ana at 2724 North Main St., in Metcalf Plaza next to Bullocks, and in Garden Grove at the corner of Euclid and Katell, will open the doors at all Food Giant Markets to the greatest food sale ever presented Food Giant customers," Glenn Butler, Division Manager of Food Giants promised.
